

01 SMALL TALK

Which app do you open first when you wake up?

How many group chats are you in right now?

Do you reply to messages right away, or later?

02 POP QUIZ — DOES THIS SOUND NATURAL?

1 ~~"We are very close friend."~~

✓ "We're really close. / We're close friends."

두 명 이상이니 friend는 복수 friends가 맞아요. 사실 native는 friend를 빼고 "We're really close."라고 더 자주 말해요.

2 ~~"I cannot contact to her."~~

✓ "I can't reach her. / I can't get in touch with her."

contact 뒤에는 to가 안 붙어요(contact her). 일상에선 reach나 get in touch with가 훨씬 자연스러워요.

3 ~~"We promised to meet next week."~~

✓ "We made plans to meet next week. / We're meeting next week."

친구끼리는 promise가 너무 무겁게 들려요. 가벼운 약속엔 make plans나 현재진행형이 자연스러워요.

Friend Group Notices — KakaoTalk or Instagram DM?

🇰🇷 BACKGROUND

친구 모임 공지를 카톡방에 할지 인스타 단체 DM에 할지는 분위기와 정확성의 차이예요. 카톡은 날짜, 시간, 장소, 돈처럼 놓치면 곤란한 내용을 정리하기 좋고, 인스타 DM은 스토리 답장과 짤이 이어져서 더 가볍게 느껴져요. 하지만 가벼운 공간에서 중요한 공지를 하면 누군가 놓칠 수 있고, 너무 공식적인 방에서는 친구 사이의 편한 분위기가 줄어들 수 있어요.

📖 READ BEFORE WE TALK

Friend group notices feel different depending on where they happen. KakaoTalk is useful for plans that need clarity: time, place, reservations, money, and who is coming. Instagram group DMs feel more casual because they often grow out of story replies, memes, and photos. That casual mood can make the group feel closer, but it can also make important details easier to miss. The platform changes the tone of the friendship. One space feels organized but a little formal; the other feels natural but messy. A good group needs both warmth and reliability, especially when plans involve real schedules.
