

01 SMALL TALK

When you take a group photo, do you smile big or just stay still?

Do you feel a little shy when a friend is loud in public?

If a friend's joke goes too far, do you say something or stay quiet?

02 POP QUIZ — DOES THIS SOUND NATURAL?

1 ~~"We meeting for 3 months."~~

✓ "We've been seeing each other for 3 months."

지금까지 이어진 기간은 have been -ing, 연애 맥락에선 meeting보다 seeing each other가 자연스러워요.

2 ~~"I have a some on going."~~

✓ "There's someone I'm kind of into right now."

'썸'의 some은 영어로 안 통해요. kind of into someone처럼 풀어 써요.

3 ~~"He gave me a big impression."~~

✓ "He made a big impression on me."

인상은 make/leave an impression on someone이 고정 표현, give는 안 써요.

Embarrassing Partner Moments — Cute or Too Much?

🇰🇷 BACKGROUND

연인이 밖에서 눈에 띄는 행동을 할 때, 누군가는 자신감 있고 귀엽다고 느끼지만 누군가는 같이 있는 내가 더 민망하다고 느낄 수 있어요. 같은 행동도 둘만 있을 때는 장난처럼 보이고, 친구들 앞이나 낯선 사람들 앞에서는 전혀 다르게 느껴질 수 있어요. 이 주제가 갈리는 이유는 애정과 체면이 동시에 걸려 있기 때문이에요. 상대가 자기답게 행동하는 걸 존중하고 싶지만, 상황을 읽지 못하거나 주변 사람을 불편하게 만들면 말해줘야 할 수도 있어요. 핵심은 상대를 바꾸려는 것이 아니라, 어디까지든 매력적이고 어디서부터든 부담인지를 서로 편하게 말할 수 있는지에요.

📖 READ BEFORE WE TALK

When a partner acts in a very noticeable way in public, one person may see it as confident, funny, or cute. Another person may feel embarrassed because they share the attention. The same behavior can feel playful when you are alone, but very different in front of friends, coworkers, or strangers. The tension is between affection and social awareness. You may want your partner to be themselves, but you may also want them to read the room. The real question is not whether someone is quiet or expressive. It is whether both people can talk honestly about what feels charming, uncomfortable, or too much in public. Public behavior is sensitive because it affects two people at once. The conversation becomes easier when the focus is not 'change your personality,' but 'help me feel comfortable here too.'

💡 WORDS YOU MIGHT NEED

read the room — 분위기를 파악하다

too much — 너무 과하다

a bit much — 좀 심하다

draw the line — 선을 긋다

let it slide — 그냥 넘어가다

want to disappear — (창피해서) 사라지고 싶다

🗣️ TRY THESE PHRASES

*Honestly, it would feel ___ to me, because ___.**It depends on the place, but usually I find it ___.**Yes, it really changes — when I'm alone ___, but with friends ___.**The thing is, other people's eyes make me feel ___.*

⚡ EASY ENTRY

- 1 Are you more of a 'center-of-attention' person or a 'blend-into-the-crowd' person when you're out in public?
- 2 When was the last time someone you were out with — a friend or family member — did something a little embarrassing in public?
- 3 Quick — if you had to pick: singing out loud, talking very loudly, or dancing on the street — which are you most likely to do in public?
- 4 Finish this sentence: 'When someone I'm with gets really loud or playful in public, I usually ___.'
