

01 SMALL TALK

Do you post a lot of photos on social media, or do you keep your account pretty quiet?

When was the last time you posted a photo of someone you care about — a friend, family, or partner?

If you have great news, do you announce it online, or do you tell just a few people quietly?

02 POP QUIZ — DOES THIS SOUND NATURAL?

① ~~"He gave me a big impression."~~

✓ "He made a big impression on me."

인상은 give가 아니라 make/leave an impression on someone으로 표현해요.

② ~~"I have a some on going."~~

✓ "There's someone I'm kind of seeing."

한국어 '썸'은 직역이 안 돼요. talking stage나 kind of seeing someone으로 풀어 써요.

③ ~~"We meeting for 3 months."~~

✓ "We've been seeing each other for three months."

지금까지 쪽 이어지면 have been + -ing를 쓰고, 연애는 see each other가 자연스러워요.

LOVE · MAIN DISCUSSION

Lovestagram Silence — Cool or Hurtful?

🇰🇷 BACKGROUND

럽스타그램을 올리지 않는 것이 쿨한 선택인지, 서운한 포인트인지는 관계마다 다르게 느껴져요. 어떤 사람은 연애를 굳이 공개하지 않는 것이 성숙하고 편하다고 생각해요. 반대로 계속 숨기는 느낌이 들면 내가 중요한 사람이 아닌가 하는 생각이 들 수도 있죠. 사진 한 장이 사랑의 증거는 아니지만, 공개 방식은 상대가 나를 어떻게 소개하고 싶은지에 대한 신호처럼 읽히기도 해요.

📖 READ BEFORE WE TALK

Not posting a relationship can mean many different things. Some people simply want privacy. They do not want their relationship to become content, and they may feel that real affection does not need public proof. But to someone else, constant silence can feel like being hidden. A photo is not a guarantee of love, yet public acknowledgment can matter when it shows that the relationship is not being kept vague. The sensitive part is that both sides may have reasonable reasons. One person wants privacy; the other wants reassurance. The conversation becomes less about Instagram and more about what each person needs to feel respected.
