

01 SMALL TALK

Do you post your daily life on social media, or do you keep it to yourself?

When was the last time you posted a photo with another person? Did you ask them first?

Do you share your location online, or do you keep it private?

02 POP QUIZ — DOES THIS SOUND NATURAL?

1 ~~"We meeting for 3 months."~~

✓ "We've been seeing each other for 3 months."

지금까지 이어지는 일이라 현재완료진행형(have been -ing)을 써요. 연애 맥락엔 meeting보다 seeing/dating이 자연스러워요.

2 ~~"I have a some on going."~~

✓ "There's something going on between us."

한국어 '썸'을 그대로 옮긴 콩글리시예요. 영어엔 a some이 없고 something going on / a thing으로 풀어요.

3 ~~"He gave me a big impression."~~

✓ "He made a big impression on me."

인상은 make / leave an impression on someone으로 써요. give는 안 맞아요.

03 오늘의 워업

리더 또는 서포터가 본인 관련 3개 문장 (2개 진실, 1개 거짓) 읽음. 멤버가 거짓 맞히기. 그다음 다음 사람.

WARM-UP

Two Truths, One Lie (8분)

1 I post almost everything online, but I never post about who I'm dating.

2 I once asked someone to take down a couple photo of us.

3 I feel a little sad when my partner doesn't show me on their social media.

Not Posting Your Relationship — Privacy or Secretive Feeling?

🇰🇷 BACKGROUND

립스타그램을 안 올리는 것이 단순한 프라이버시인지, 상대를 숨기는 느낌인지는 관계마다 다르게 받아들여져요. 어떤 사람은 연애를 공개하지 않아도 충분히 진심일 수 있고, 어떤 사람은 계속 티를 내지 않는 태도에서 서운함을 느낄 수 있어요. 특히 다른 일상은 자주 올리는데 연애만 완전히 빠져 있다면 더 예민하게 느껴질 수 있죠. 공개의 크기보다 서로가 안심할 수 있는 방식이 중요해요.

📖 READ BEFORE WE TALK

Not posting a relationship can be privacy, but it can also feel like secrecy depending on the pattern. Some people do not want their love life to become content, and they feel that affection should stay offline. Others do not need a big announcement, but they still want some sign that the relationship is not being hidden. The sensitive part is consistency. If someone posts food, trips, friends, and daily life but never shows their partner, the silence may start to feel intentional. A healthy talk is not about demanding a photo. It is about asking what kind of public acknowledgment helps both people feel respected. Dating standards are rarely only about romance. They also show how people understand fairness, attention, pride, and emotional safety, because people read small signals through past experience.
