

01 SMALL TALK

Do you check your phone first thing in the morning?

Which app do you open the most these days?

Do you prefer texting your friends or calling them?

02 POP QUIZ — DOES THIS SOUND NATURAL?

1 ~~"The video got many views so it is a big issue."~~

✓ "The video got a lot of views, so it really blew up."

'big issue'는 영어로 '심각한 문제'예요. '큰 화제'는 blow up / go viral로 써요.

2 ~~"I am addicted to my phone too much."~~

✓ "I'm way too addicted to my phone."

addicted에 이미 '과하게'가 들어 있어서 too much와 겹쳐요. 강조는 way too를 앞에 붙이세요.

3 ~~"I uploaded a picture in Instagram."~~

✓ "I posted a picture on Instagram."

플랫폼 앞엔 in이 아니라 on을 쓰고, SNS엔 upload보다 post가 자연스러워요.

03 오늘의 워업

앞은 자리에서 진행자가 A인지 B인지 외치면, 각자 A는 손 한 개·B는 손 두 개로 표시하고 돌아가며 이유를 한 문장씩 말해요. 5라운드 빠르게.

New Meme Timing — Early Laugh or Group-Safe Share?

BACKGROUND

밈은 내용보다 타이밍이 더 중요할 때가 많아요. 너무 빨리 보내면 몇 명만 알아듣고, 딱 맞는 순간에 보내면 단독방 분위기가 확 살아나요. 그런데 하루만 늦어도 "이걸 이제 봤어?" 하는 느낌이 들 수 있어요. 그래서 밈을 보내는 건 작은 사회 감각처럼 느껴져요. 유행 초반에 보내는 사람은 빠르고 센스 있어 보이지만, 너무 늦선 밈은 설명이 필요해서 재미가 줄어요. 반대로 다 아는 뒤에 보내면 안전하지만 늦은 사람처럼 보일 수 있어요.

READ BEFORE WE TALK

With memes, timing can matter more than the joke itself. If you send one too early, only a few people may get it. If you send it at the perfect moment, the whole group chat wakes up. But if you send it too late, the same meme suddenly feels old. That makes meme sharing a small social skill. Early senders can look fast and funny, but a meme that needs too much explanation loses its energy. Safe late senders avoid confusion, but they risk looking out of sync. The best timing depends on the group, the meme, and how fast that group follows trends.

WORDS YOU MIGHT NEED

read the room — 분위기를 파악하다

blow up / go viral — 대박 나다, 입소문 나다

it kills the joke — 재미가 확 없어져요

a step behind — 한 발 늦은

shoot my shot — 일단 한번 해보다

made peace with it — 그냥 받아들였어요

TRY THESE PHRASES

Most of the time, I send it right away because ____.

It depends on the meme, but usually ____.

Honestly, a one-day-late meme can still be funny — but ____.

It really comes down to the type of meme, since ____.

EASY ENTRY

- 1 Are you more of a meme sender or a meme lurker in your group chats?
- 2 When was the last time you saved a meme to send later? What was it?
- 3 Quick — if you had to pick: Instagram, X, or KakaoTalk — where do most of your memes come from?
- 4 On a scale of 1 to 5, how often do you send memes to your group chat in a week?

MAIN DISCUSSION

Q1. When you find a funny meme, do you send it to the group chat right away or wait until you're sure people will get it? Why?

↳ *Most of the time, I send it right away because ____.*

↳ *It depends on the meme, but usually ____.*

Q2. Is a one-day-late meme still funny, or already awkward? Does it depend on the type of meme?

↳ *Honestly, a one-day-late meme can still be funny — but ____.*

↳ *It really comes down to the type of meme, since ____.*

Q3. How do you feel when nobody reacts to a meme you sent? Do you care, or just let it go?

↳ *When that happens to me, I usually ____.*

↳ *The way I see it, ____, so ____.*

Q4. Does your sharing change with the person — a close friend, a coworker, or an old classmate? How?

↳ *In my case, it changes a lot — with ____, I ____.*

↳ *Compared to a coworker, with a close friend I feel ____.*

Q5. Does knowing trends quickly feel like a real social skill, or does it not matter much?

↳ *When I think about it, knowing trends quickly is ____ because ____.*

↳ *I lean more toward calling it a real social skill because ____.*
