

01 SMALL TALK

When you buy something online, do you like fast delivery or a cheap price?

Do you pay for any monthly membership right now?

Do you ever check how much you spent last month?

02 POP QUIZ — DOES THIS SOUND NATURAL?

1 ~~"I want to save my money for future."~~

✓ "I want to save up for the future."

일반적 의미라 'my'는 빼고, 'future' 앞엔 'the'가 필요해요. native는 'save up'을 자주 써요.

2 ~~"The price is too expensive."~~

✓ "It's too expensive. / The price is too high."

'expensive'는 물건에, 'price'는 'high/low'로 표현하는 게 정확해요.

3 ~~"I spend money to shopping."~~

✓ "I spend money on shopping."

'spend money on + 명사/-ing'가 고정 패턴이에요. 'to'는 쓰지 않아요.

Shopping Memberships — Keep One or Quit the Habit?

🇰🇷 BACKGROUND

쇼핑 멤버십을 하나만 남겨야 한다면 가격보다 배송 경험을 더 볼지, 혜택보다 습관을 먼저 볼지 고민하게 돼요. 쿠팡, 네이버, 11번가처럼 플랫폼마다 장점이 다르지만, 익숙해진 편리함은 끊기가 어렵죠. 멤버십이 진짜 돈을 아껴주는지, 아니면 그 플랫폼에서 더 자주 사게 만드는지는 한 달 결제 내역을 보면 더 분명해져요.

📖 READ BEFORE WE TALK

Shopping memberships are useful because they make buying easy. Fast delivery, easy returns, points, coupons, and a familiar checkout can make one platform feel like the default. The danger is that convenience can quietly become a habit. A membership may save money if it fits what you already buy, but it can also make you shop more often, because the benefits feel like they are waiting to be used. Choosing one membership is not only about comparing prices. It is about which service really supports your routine, and which one keeps you in a shopping loop. In Korea, small spending is easy to miss, because many payments happen through cards, apps, and automatic subscriptions. A few thousand won may not feel serious in the moment, but small daily habits can become a big monthly pattern. A short budget test often shows your routines more clearly than a monthly spreadsheet.

💡 WORDS YOU MIGHT NEED

it pays for itself — 본전을 뽑다

those little fees add up — 자잘한 비용이 쌓이다

I'm not in a hurry — 급하지 않다

on a tight budget — 돈이 빠듯한

break even — 본전치기하다

sleep on it — 하루밤 자며 생각하다

💡 TRY THESE PHRASES

It really comes down to ___, so for that reason I'd choose ___.

Honestly, yes — ___, and once I even bought ___.

When I think about it, fast delivery makes me ___ because ___.

⚡ EASY ENTRY

1 Are you more of a Coupang person or a Naver Shopping person these days?

2 When was the last time you ordered something at night and it arrived the very next morning?

3 Quick — how many shopping memberships are you paying for right now: zero, one, or two-plus?

4 On a scale of 1 to 5, how often do you check the delivery tracking after you order something?

💡 MAIN DISCUSSION

↳ *If I had to pick just one, I'd keep ___ because ___.*

↳ *It really comes down to ___, so for that reason I'd choose ___.*

Q2. Does fast delivery make you buy more often? Has it ever made you buy something you didn't really need?

↳ *Honestly, yes — ___, and once I even bought ___.*

↳ *When I think about it, fast delivery makes me ___ because ___.*

Q3. At what price do you stop and really think before buying online? What goes through your head at that point?

↳ *My limit is around ___; above that, I start asking myself ___.*

↳ *It depends on the item, but usually I stop and think when ___.*

Q4. When does convenience turn into a habit you don't even notice? How do you catch yourself?

↳ *The thing is, it becomes a habit when ___ — I only notice once ___.*

↳ *Looking back, ___ turned into a habit, and I catch myself by ___.*

Q5. Would you cancel a membership if it saved money but made your life less comfortable? Where is your line?

↳ *I'd say yes, but only if ___, because for me the line is ___.*

↳ *The way I see it, comfort matters more than ___ until ___.*
