

01 SMALL TALK

How do you usually get to work or school
— bus, subway, walk, or car?

Do you focus better at home or outside
the house?

What's the first thing you do when you
start your day?

02 POP QUIZ — DOES THIS SOUND NATURAL?

1 ~~"I want to develop myself."~~

✓ "I want to grow. / I want to work on myself."

'develop myself'는 '자기계발'을 그대로 옮긴 콩글리시예요. grow나 work on myself로 풀어 써요.

2 ~~"My company is very welfare."~~

✓ "My company has great benefits."

welfare는 명사라 형용사처럼 못 써요. 회사 복지는 benefits나 perks로 표현해요.

3 ~~"I resigned my job."~~

✓ "I quit my job. / I resigned from my position."

일상 대화에선 quit이 자연스럽고, resign은 보통 resign from ~으로 써요.

Remote, Hybrid, or Four Days — What Actually Works?

🇰🇷 BACKGROUND

재택, 하이브리드, 주 4일제는 듣기엔 다 좋아 보이지만, 실제로는 내 일과 팀에 맞아야 장점이 살아나요. 재택은 이동 시간이 줄지만 소통이 흐려질 수 있고, 하이브리드는 균형이 좋아 보여도 출근일이 애매하면 오히려 번거로워요. 주 4일제는 매력적이지만 업무량이 그대로면 하루하루가 더 뻘뻘해질 수 있죠. 중요한 건 제도 이름이 아니라 내 일의 성격과 팀의 운영 방식이에요.

📖 READ BEFORE WE TALK

Remote work, hybrid schedules, and four-day weeks all sound great, but each one only works when the system around it works too. Remote work saves commuting time and can help you focus, but the team must communicate clearly. Hybrid work can balance connection and freedom, but office days need a real reason. A four-day week sounds perfect, but it becomes stressful if the same amount of work is pushed into fewer days. The best work style depends on the job, the team, the manager, and your home. Flexibility only helps when it really changes the workload and rhythm — not just the name.
