

01 SMALL TALK

Do you usually buy gifts in a store, or just send them on your phone?

When was the last time someone sent you a coffee gifticon?

Do you have any unused gifticons on your phone right now?

02 POP QUIZ — DOES THIS SOUND NATURAL?

① ~~"My father is scary."~~

✓ "My dad is pretty strict."

'scary'는 귀신·공포영화 느낌이예요. 엄한 아빠는 'strict'가 자연스러워요.

② ~~"My parent is very strict."~~

✓ "My parents are very strict."

단수 'my parent'는 거의 안 써요. 'my parents' 또는 'my mom/dad'로 말해요.

③ ~~"I am living with my family since born."~~

✓ "I've lived with my family my whole life."

과거부터 지금까지 이어지면 현재완료(I've lived)로 써요. 'since born'은 'since I was born'.

Kakao Gifts for Family — Convenient or Too Easy?

BACKGROUND

카카오톡 선물은 빠르고 편해서 가족 선물로도 자주 쓰여요. 받는 사람이 바로 쓸 수 있고 취향을 덜 틀리는 점은 실용적이에요. 하지만 직접 고르고 만나서 전하는 선물에 비해 마음이 덜 담긴 것처럼 보일 수도 있어요. 결국 모바일 선물이 센스인지 성의 부족인지는 상황과 관계, 그리고 메시지의 온도에 따라 달라져요.

READ BEFORE WE TALK

KakaoTalk gifts are convenient because they solve many problems at once. You can send something quickly, you don't have to guess too much, and the receiver can use it when they want. For family, that can be a real strength, especially when everyone is busy or far away. But convenience can look too easy if the day feels important. A mobile gift may need a warmer message, a better choice, or a follow-up call to feel personal. The gift itself is only part of the signal. The way you send it can decide whether it feels thoughtful or careless. Family expectations can feel caring and pressuring at the same time, and people from different generations often see gifts in very different ways.
