

01 SMALL TALK

Did you have any snack or sweet today?
What was it?

Which convenience store do you go to
the most — GS25, CU, or 7-Eleven?

Do you have a snack you buy almost
every time?

02 POP QUIZ — DOES THIS SOUND NATURAL?

1 ~~"Let me service this to you."~~

✓ "This one's on the house."

한국어 '서비스(공짜로 줌)'는 콩글리시예요. 무료로 주는 건 *on the house* / *for free*.

2 ~~"The food is very delicious."~~

✓ "The food is really good."

*delicious*는 이미 강한 표현이라 *very*를 안 붙여요. *really good*이나 *delicious*만 단독으로.

3 ~~"I want to eat lunch outside."~~

✓ "I want to eat out for lunch."

*outside*는 '야외'라 소풍 느낌이에요. 사 먹는다는 뜻이면 *eat out*.

03 오늘의 워업

리더 또는 서포터가 본인 관련 3개 문장 (2개 진실, 1개 거짓) 읽음. 멤버가 거짓 맞히기. 그다음 다음 사람.

WARM-UP

Two Truths, One Lie (8분)

1 I once bought the same convenience-store dessert three days in a row.

2 I waited in a long line just to buy a limited-edition dessert before it sold out.

3 I always read online reviews before I try any new convenience-store dessert.

Convenience-Store Desserts — Try Now or Wait for Reviews?

BACKGROUND

편의점 신상 디저트는 예전엔 가볍게 집어 드는 작은 간식 같았지만, 요즘은 브랜드 콜라보, 캐릭터 패키지, 유명 카페·베이커리 협업 제품까지 나오면서 가격도 가볍지만은 않아요. 몇 천 원 차이여도 '편의점에서 사는 디저트'라고 생각하면 갑자기 비싸게 느껴지고, '한정판'이라는 말 때문에 더 사고 싶어지기도 해요. 재밌는 건 사람마다 시도하는 기준이 다르다는 점이에요. 어떤 사람은 후기가 뜨기 전에 먼저 먹어보고 친구들에게 알려주는 재미를 좋아하고, 어떤 사람은 바이럴이 지나간 뒤에도 진짜 맛있다는 평이 남는지 기다려요. 핵심은 단순히 맛있는지보다 궁금함, 한정감, 브랜드 이름, 가격 대비 만족이 함께 움직인다는 거예요. 작은 간식처럼 보여도 콜라보 상품에 어디까지 돈을 낼 수 있는지가 갈리는 지점이에요.

READ BEFORE WE TALK

Convenience-store desserts used to feel like easy impulse buys. But many new items now come with brand collaborations, character packaging, limited flavors, or tie-ins with famous cafes and bakeries. That changes the feeling. A dessert can still be small, but the price may not feel small anymore for something bought at a convenience store. People also have different rules for trying them. Some enjoy tasting a new release before everyone else and reporting back to friends. Others wait until the hype passes and real reviews remain. The tension is not only about taste. It is curiosity, limited-edition pressure, brand trust, and whether the price still feels fair for a quick snack. Collaboration desserts make the choice more interesting, because they are not only about hunger. A convenience-store item can borrow the image of a famous cafe, bakery, or character, so people may pay for the story as much as the taste. Some see it as a fun limited treat, while others think it is too expensive for a quick snack.

WORDS YOU MIGHT NEED

try it right away — 바로 먹어보다 wait and see — 일단 두고 보다

limited edition — 한정판

Is it really worth it? — 그만한 값어치가 있나?

worth the premium — 웃돈 값을 하다

It's a bit pricey for a snack — 간식치고 좀 비싸다

TRY THESE PHRASES

I usually go for it right away because ____.

It depends on the item, but mostly I ____.

For a casual treat, I'd say ____ is my limit because ____.

Once it goes over ____, it stops feeling like a small reward.

EASY ENTRY

- 1 Are you more of a creamy-chocolate dessert person or a fresh-fruit-and-jelly one when you grab something at a convenience store?
- 2 When was the last time you bought a dessert at a convenience store, and what was it?
- 3 Quick — if you had to pick: GS25, CU, or 7-Eleven, which one do you head to first for desserts?
- 4 On a scale of 1 to 5, how often do you tell a friend about a convenience-store dessert you liked?

MAIN DISCUSSION

Q1. When you see a new convenience-store dessert, do you try it right away or wait for reviews? Why?

I usually go for it right away because ____.

It depends on the item, but mostly I ____.

Q2. How much can a convenience-store dessert cost before it stops feeling casual?

For a casual treat, I'd say ____ is my limit because ____.

Once it goes over ____, it stops feeling like a small reward.

Q3. Do collaborations and limited editions make you more curious, or do they feel like advertising now?

When I see a fun collab package, ____.

Honestly, some of them feel like ads now — but ____.

Q4. What makes you regret buying a dessert or choosing a cafe — price, taste, waiting time, or the people?

What I regret the most is ____ because ____.

I can forgive ____, but ____ really ruins it for me.

Q5. If a convenience-store dessert costs almost as much as a cafe dessert, would you still buy it?

I'd still buy it because ____.

Compared to going to a cafe, the convenience store wins when ____.
