

01 SMALL TALK

How are you feeling today — energetic or a little tired?

Are you more of a coffee person or a tea person?

Did you get enough sleep this week?

02 POP QUIZ — DOES THIS SOUND NATURAL?

1 ~~"I am on a diet from Monday."~~

✓ "I'm starting a diet on Monday."

시작 시점은 *from*이 아니라 *starting (on)* + 요일로 써요. 다이어트는 *go on a diet / start a diet*가 자연스러워요.

2 ~~"My condition is not good today."~~

✓ "I'm not feeling well today."

*condition*은 콩글리시예요. 컨디션 안 좋을 땐 *feel well*이나 *under the weather*를 써요.

3 ~~"I want to make exercise habit."~~

✓ "I want to make exercise a habit."

*make A a habit*처럼 관사 *a*가 꼭 필요해요. *get into the habit of -ing*도 자연스러워요.

03 오늘의 워업

각자 1-4위로 순위 매기고 1위만 말하기. 다른 사람 의견 들으며 자기 순위 한 번 더 정리.

WARM-UP

Rank Them (5분)

1. A monthly sauna or spa pass
2. A massage every two weeks
3. Better sleep gear (mattress, pillow, eye mask)
4. A weekly stretching or yoga class

HEALTH · MAIN DISCUSSION

Recovery Spending — Self-Care or Overspending?

🇰🇷 BACKGROUND

회복에 돈을 쓰는 분위기는 운동을 더 열심히 하는 것과는 조금 달라요. 사우나, 마사지, 숙면템, 스트레칭처럼 지친 몸을 회복시키는 데 돈을 쓰는 선택이 점점 자연스러워졌어요. 누군가에게는 건강한 자기관리이고, 누군가에게는 또 다른 소비 유행처럼 보일 수 있어요. 중요한 건 잠깐 기분만 좋아지는지, 아니면 실제로 생활 리듬과 컨디션이 나아지는지예요.

📖 READ BEFORE WE TALK

Recovery spending is becoming part of everyday health culture. Instead of paying only for gyms or workouts, people now spend on saunas, sleep products, stretching, massage, and supplements that promise a better condition. This can be meaningful, because rest is not laziness; it is part of staying well. But recovery can also become just another trend if the product is expensive and the effect is mostly emotional. The line depends on whether the spending changes your daily energy, sleep, or stress in a lasting way. Good recovery spending should make life feel more sustainable, not simply create a new reason to buy.

💡 WORDS YOU MIGHT NEED

crash at home — 집에서 뻘다 / 폭 쉬다

a waste of money — 돈 낭비

treat myself — 나에게 선물하다

as a reward — 보상으로

worth it — 그만큼 가치가 있다

under the weather — 몸이 좀 안 좋은

🗣️ TRY THESE PHRASES

Honestly, a massage feels like real self-care to me — but it also depends on ____.

I'd say it's worth the money because ____.

It depends on the month, but usually my line is ____.

The way I see it, it becomes overspending when ____.

⚡ EASY ENTRY

- 1 Are you more of a 'treat-my-body' spender or a 'tough-it-out' saver when you're worn out?
- 2 When was the last time you bought something just to help your body recover — like a sleep product or a massage gun?
- 3 Quick — if you had ₩50,000 for recovery today: a massage, a good pillow, or a sauna visit?
- 4 On a scale of 1 to 5, how often do you spend money just to feel rested and recovered?

🗣️ MAIN DISCUSSION

Q1. Is spending money on rest — like a massage or a sauna — real self-care, or just overspending?

↳ *Honestly, a massage feels like real self-care to me — but it also depends on ____.*

↳ *I'd say it's worth the money because ____.*

Q2. When does self-care become overspending for you? Where is your line?

↳ *It depends on the month, but usually my line is ____.*

↳ *The way I see it, it becomes overspending when ____.*

Q3. Do you need to see a real result to believe health spending is worth it, or is just feeling better enough?

↳ *What helps me decide is whether ____.*

↳ *Most of the time, just feeling better is enough for me because ____.*

Q4. Have you ever spent money on a recovery product that did nothing? What happened?

↳ *Looking back, that purchase taught me ____.*

↳ *There was this one time when I bought ____, and ____.*

Q5. What recovery habit can you do without spending much money?

↳ *What works for me is ____, and the best part is it costs almost nothing.*

↳ *It really comes down to ____.*
