

01 SMALL TALK

When was the last time you moved to a new place?

Do you prefer paying a little every month, or one big payment at once?

Do you save money every month, or do you spend it as it comes?

02 POP QUIZ — DOES THIS SOUND NATURAL?

① ~~"I have a lot of stress."~~

✓ "I'm really stressed out."

stress는 보통 명사로 "가지고 있다"고 안 써요. 감정은 형용사 stressed (out)으로 표현해요.

② ~~"I want to healing this weekend."~~

✓ "I want to recharge this weekend."

"힐링"은 콩글리시예요. relax, recharge, unwind를 쓰면 자연스러워요.

③ ~~"My hobby is watching Netflix."~~

✓ "I'm really into Netflix these days."

My hobby is...는 교과서 느낌이예요. I'm into ~나 I like ~ing가 훨씬 자연스러워요.

Jeonse vs. Monthly Rent — What Feels Realistic Now?

BACKGROUND

전세와 월세 사이에서는 어떤 선택이 더 현실적인지 기준이 갈려요. 전세는 매달 나가는 돈이 적어 보이지만 큰 보증금과 대출 부담이 있고, 월세는 시작은 비교적 쉬워도 매달 고정 지출이 계속 쌓여요. 주거 선택은 단순히 집값 비교가 아니라 안정감, 현금 흐름, 대출 불안, 이사 가능성, 직장 위치까지 같이 보는 문제예요. 어떤 사람은 보증금을 묶어두더라도 월 지출이 적은 전세가 낫다고 느끼고, 어떤 사람은 큰돈을 넣는 부담보다 월세의 유연함이 더 현실적이라고 느껴요.

READ BEFORE WE TALK

Jeonse and monthly rent feel very different in Korea because they put pressure on different parts of your budget. Jeonse can make your monthly life feel lighter, but it usually needs a large deposit, a loan, and trust in the system. Monthly rent is easier to start, but the payment keeps coming back every month. The real choice is not only about which one is cheaper on paper. It also depends on your cash flow, your job location, your moving plans, your emergency savings, and how much money you are comfortable locking away. One person may see jeonse as stability. Another may see monthly rent as freedom and lower stress.
