

01 SMALL TALK

Do you like surprises, or do you prefer to know things in advance?

Do you enjoy being the center of attention, or do you feel shy when everyone looks at you?

What feels more special to you — a big moment in public, or a quiet moment with one person?

02 POP QUIZ — DOES THIS SOUND NATURAL?

① ~~"He gave me a big impression."~~

✓ "He made a big impression on me."

'give impression'은 콩글리시예요. 영어는 'make an impression on someone'이 고정 표현이에요.

② ~~"I have a some on going."~~

✓ "There's this guy/girl I'm kind of seeing."

'썸'은 영어로 'some'이 그 뜻으로 안 통해요. 'seeing someone', 'talking' 같은 표현을 써요.

③ ~~"We meeting for 3 months."~~

✓ "We've been seeing each other for three months."

be동사가 빠졌고 현재완료진행이 필요해요. 연애 맥락엔 'meeting'보다 'seeing each other'가 자연스러워요.

Public Confessions — Romantic or Too Much Pressure?

🇰🇷 BACKGROUND

공개 고백은 보는 사람에게는 로맨틱한 장면처럼 보일 수 있지만, 받는 사람에게는 선택권이 줄어드는 순간이 될 수도 있어요. 이미 마음이 갈다면 오래 기억에 남는 이벤트가 될 수 있어요. 하지만 확신이 없거나 주변 시선이 부담스러운 사람에게는 거절하기 어려운 상황이 만들어질 수 있죠. 진심을 크게 보여주는 것과 상대가 편하게 대답할 수 있게 해주는 것은 다를 수 있어요.

📖 READ BEFORE WE TALK

A public confession can look romantic from the outside because it feels bold, sincere, and memorable. If both people already feel the same way, it may become a beautiful story. But if the receiver is unsure, the crowd changes everything. Saying no becomes harder, and even saying yes may feel like pressure. The problem is not the size of the gesture itself. It is whether the other person has enough space to answer honestly. A confession should show courage, but it should also protect the receiver's feelings. Romance feels different when a real choice is still there. Dating standards are rarely only about romance. They also show how people think about fairness, attention, pride, privacy, and feeling safe. The same action can look thoughtful to one person and careless to another.
