

01 SMALL TALK

Are you a curious person, or do you usually let things go?

How was your weekend? Did you do anything fun?

Do you remember things from a long time ago, or do you forget fast?

02 POP QUIZ — DOES THIS SOUND NATURAL?

1 ~~"I have a some on going."~~

✓ "There's something going on between us. / I'm kind of seeing someone."

"썸"을 그대로 'some'으로 옮긴 콩글리시예요. 애매한 관계는 'something going on'이나 'seeing someone'으로 표현해요.

2 ~~"He gave me a big impression."~~

✓ "He made a big impression on me."

'impression'은 'make'나 'leave'와 짝을 이뤄요. 'give'는 안 쓰고, 'on me'를 붙여야 자연스러워요.

3 ~~"We meeting for 3 months."~~

✓ "We've been seeing each other for 3 months."

동사 'be'가 빠졌고, 한동안 이어진 일이라 현재완료진행이 필요해요. 연애 맥락에선 'meet'보다 'see / date'가 자연스러워요.

03 오늘의 워업

각 라운드 손가락으로 A 또는 B. 한 라운드마다 한 명 짧게 이유.

WARM-UP

Would You Rather (5분)

1

Date someone who had many exes

VS

Date someone who never dated before

2

Have a partner who tells you everything about their past

VS

Have a partner who keeps the past private

3

Know why your partner broke up with their ex

VS

Never ask about it

4

Have a partner who is still friends with an ex

VS

Have a partner who cut off all contact with exes

LOVE · MAIN DISCUSSION

Talking About Exes — Curiosity or Crossing the Line?

🇰🇷 BACKGROUND

연인 사이에서 전 연애 이야기를 어디까지 나눌지는 호기심과 배려의 경계가 있어요. 과거를 조금 알면 상대를 더 이해할 수 있지만, 자세한 비교나 감정이 남은 이야기까지 들어가면 현재 관계가 불편해질 수 있어요. 모르면 찝찝하고 알면 신경 쓰이는 질문들이 생기기 때문에 나름의 기준이 필요해요. 중요한 건 정보를 캐내는 것이 아니라, 지금 관계를 더 안정적으로 만들 만큼만 말하는 거예요.

📖 READ BEFORE WE TALK

Talking about exes can help two people understand each other, but it can also create images that are hard to forget. Some details are useful: what someone learned, what kind of conflict hurt them, or what boundaries matter to them now. Other details can turn into comparison, jealousy, or quiet insecurity. The line is different for every couple. One person may feel that honesty means sharing openly, while another may feel that the past should stay in the past unless it affects the present. A good conversation about exes is not about collecting details. It is about building trust without inviting comparison.

💡 WORDS YOU MIGHT NEED

It depends on the situation. — 상황에 따라 달라요.

I'd rather not talk about it. — 그건 얘기 안 하는 게 좋겠어요.

It's a deal-breaker for me. — 그건 저한테 절대 안 되는 조건이에요.

I'm over it now. — 이제 다 정리됐어요.

That crosses the line. — 그건 선을 넘는 거예요.

I keep it to myself. — 그건 혼자만 간직해요.

🗣️ TRY THESE PHRASES

I'd say couples should share __, because __.

It depends on the couple, but usually __.

What helps me decide is whether __.

The useful part is __, while __ is not.

⚡ EASY ENTRY

- 1 Are you more of an open book or a closed door when a partner asks about your exes?
- 2 When was the last time an ex came up while you were talking with someone you were dating?
- 3 Quick — if you had to pick: tell everything, tell only the basics, or keep your dating past private?
- 4 What's your usual move when an ex's name pops up while you're with your current partner?

🗣️ MAIN DISCUSSION

Q1. How much should couples talk about their past relationships?

↳ *I'd say couples should share __, because __.*

↳ *It depends on the couple, but usually __.*

Q2. What kind of information about an ex is actually useful, and what is not?

↳ *What helps me decide is whether __.*

↳ *The useful part is __, while __ is not.*

Q3. Which details about a partner's past would you rather not know?

↳ *Honestly, I'd rather not know __ — but __.*

↳ *The thing is, some details like __ stay in my head.*

Q4. When does talking about an ex become disrespectful to your partner?

↳ *It crosses the line when __.*

↳ *The way I see it, __ becomes a problem when __.*

Q5. Is asking about an ex honesty, insecurity, or just normal curiosity?

↳ *I lean more toward __ because __.*

↳ *Most of the time, __, but __.*
