

01 SMALL TALK

When was the last time you canceled a subscription? What was it?

Do you usually cancel free trials before they charge you, or do you forget?

Do you check your monthly card bill, or do you just let it run?

02 POP QUIZ — DOES THIS SOUND NATURAL?

1 ~~"I want to save my money for future."~~

✓ "I want to save up for the future."

일반적 의미라 my는 빼고, future 앞엔 the가 필요해요. native는 save up을 자주 써요.

2 ~~"The price is too expensive."~~

✓ "It's too expensive. / The price is too high."

expensive는 물건·서비스에, price는 high/low로 써야 자연스러워요.

3 ~~"I spend money to shopping."~~

✓ "I spend money on shopping."

spend money on + 명사/-ing 가 고정 패턴이에요. to는 안 돼요.

03 오늘의 워업

리더 또는 서포터가 본인의 구독 습관에 관한 3개 문장 (2개 진실, 1개 거짓)을 읽음. 멤버가 어떤 게 거짓인지 맞히기. 그다음 다음 사람.

WARM-UP

Two Truths, One Lie (8분)

1 I pay for a subscription I haven't used in over three months.

2 I once forgot about a subscription and paid for it for a whole year.

3 I cancel every subscription right after my free trial ends.

Subscription Cleanup — Cancel Everything or Cut One by One?

 BACKGROUND

구독 서비스는 하나씩 보면 큰돈처럼 느껴지지 않지만, 넷플릭스, 유튜브, 음악앱, 배달 멤버십, 클라우드까지 합치면 매달 고정비처럼 쌓여요. 문제는 돈이 나가고 있다는 사실보다, 실제로 얼마나 쓰는지 잘 모르는 경우가 많다는 점이에요. 한 번에 전부 정리하면 속은 시원하지만 금방 불편해질 수 있고, 하나씩 줄이면 현실적이지만 계속 미루게 될 수 있어요. 어떤 구독은 생활의 편리함이고, 어떤 구독은 귀찮아서 남겨둔 자동 결제일 뿐이에요. 그래서 구독 정리는 절약보다 생활 습관을 확인하는 일에 가까워요.

 READ BEFORE WE TALK

Subscriptions rarely feel expensive one by one. A streaming app, YouTube, music, a delivery membership, and cloud storage can each seem harmless. Together, they start to feel like another fixed monthly bill. The hard part is not only the money. It is that many people do not know which subscriptions they actually use. Canceling everything at once feels clean, but it can create annoying friction. Cutting one by one is more realistic, but it is easy to delay. The real question is which subscriptions truly improve daily life, and which ones are just automatic payments people forgot to question.

 WORDS YOU MIGHT NEED

on a tight budget — 돈이 빠듯한

it was a good call — 잘한 선택이었어

leave it on auto-pay — 자동결제로 걸어두다

it adds up — 합치면 꽤 된다

just in case — 혹시 몰라서

it's worth it — 그만큼 가치가 있어

 TRY THESE PHRASES

I'd say cutting them one by one is more realistic for me, because ____.

Honestly, canceling everything at once sounds clean — but ____.

Most of mine feel like real convenience, since ____.

It depends on the app, but usually ____ feels like money leaking through habit.

 EASY ENTRY

- 1 Are you more of a 'set-it-and-forget-it' subscriber, or a 'check-it-every-month' type?
- 2 When was the last time you canceled a subscription? Which one and why?
- 3 What's your usual move when a free trial is about to end?
- 4 On a scale of 1 to 5, how sure are you that you know exactly how many subscriptions you're paying for?

 MAIN DISCUSSION

Q1. Cancel everything at once, or cut one by one — which is more realistic for you, and why?

I'd say cutting them one by one is more realistic for me, because ____.

Honestly, canceling everything at once sounds clean — but ____.

Q2. Do your subscriptions feel more like convenience, or money leaking through habit?

Most of mine feel like real convenience, since ____.

It depends on the app, but usually ____ feels like money leaking through habit.

Q3. At what monthly total would you stop and finally check all your subscriptions?

Anything over ____ a month, and I'd stop to check right away.

What helps me decide is ____, so once it passes that, I look.

Q4. Which subscription would be hardest for you to give up, and why?

The hardest one to give up would be ____, because ____.

When I think about it, I really couldn't drop ____.

Q5. Do you keep any subscription just because you 'might use it someday'?

Yes, I keep ____ just in case I need it someday.

The thing is, I hold on to ____ even though I rarely use it.
