

01 SMALL TALK

Which app do you open first in the morning?

Do you text more or call more these days?

Do you use a lot of emojis when you text?

02 POP QUIZ — DOES THIS SOUND NATURAL?

1 ~~"I uploaded a picture in Instagram."~~

✓ "I posted a picture on Instagram."

플랫폼엔 on을 써요. SNS에선 upload보다 post가 자연스러워요.

2 ~~"I am addicted to my phone too much."~~

✓ "I'm way too addicted to my phone."

addicted에 이미 '과하다'는 뜻이 있어 too much는 중복. 강조는 way too를 써요.

3 ~~"The video got many views so it is a big issue."~~

✓ "The video went viral."

many views는 딱딱하고, 인기는 big issue가 아니라 went viral / blew up을 써요.

Forced Slang — Funny Enough or Too Cringe?

BACKGROUND

억지 신조어도 말맛이 있으면 어느 순간 따라 쓰게 되는 경우가 있어요. 처음에는 오글거리거나 일부러 만든 말처럼 느껴져도, 친구들이 계속 쓰거나 영상에서 반복되면 자연스럽게 입에 붙을 수 있죠. 반대로 아무리 유행해도 내 말투와 맞지 않으면 끝까지 어색하게 느껴져요. 신조어는 뜻보다 타이밍과 분위기가 중요해요. 같은 말도 누구와 어디서 쓰느냐에 따라 웃기거나 민망해질 수 있어요.

READ BEFORE WE TALK

New slang can feel forced at first and then suddenly become normal. A phrase may sound awkward or too online when you first hear it, but repetition changes how people feel. If friends use it at the right moment, or if a creator makes it sound funny, the word can become part of casual talk. Still, not every trend fits every person. Some slang feels natural only inside a certain group, and using it too late or too seriously can feel embarrassing. Slang is not only about meaning. It is about timing, tone, and whether the people listening share the same joke. Meme timing matters because humor online gets old quickly. Sharing too early can feel niche, sharing at the right moment can create instant connection, and sharing too late can make the sender look out of sync.
