

01 SMALL TALK

How was your weekend? Did you go anywhere fun?

Do you like Busan at night? What's your favorite spot?

What's the weather like for an evening walk these days?

02 POP QUIZ — DOES THIS SOUND NATURAL?

1 ~~"I want to go travel."~~

✓ "I want to go on a trip."

travel은 이미 동사라서 go travel은 어색해요. go on a trip 또는 그냥 travel이 자연스러워요.

2 ~~"I took a rest in hotel."~~

✓ "I rested at the hotel."

take a rest는 쿡글리시 느낌이예요. rest나 relax를 쓰고 장소 앞엔 at the/my를 붙여요.

3 ~~"The schedule is very tight."~~

✓ "We were on a tight schedule."

틀린 건 아니지만 교과서 같아요. be on a tight schedule이나 packed를 더 자주 써요.

WARM-UP

Two Truths, One Lie (8분)

1 I once waited more than an hour to get a good spot for a drone show.

2 I have hundreds of night-view photos on my phone, but I rarely look at them again.

3 I usually leave a fireworks event before it ends to avoid the crowd.

TRAVEL · MAIN DISCUSSION

Busan Night Events — Wait Early or Watch Casually?

🇰🇷 BACKGROUND

부산의 야경 행사나 드론쇼는 짧은 장면을 위해 얼마나 기다릴 수 있는지가 관건이에요. 좋은 자리를 잡으면 훨씬 선명하게 보고 사진도 잘 남길 수 있지만, 기다리는 시간과 끝난 뒤 빠져나오는 피로까지 생각하면 부담스럽죠. 어떤 사람은 행사 자체보다 바닷가를 걷다가 우연히 보는 정도가 더 편하다고 느껴요. 같은 야경도 계획해서 보는 사람과 가볍게 스치는 사람의 만족 기준이 달라요.

📖 READ BEFORE WE TALK

Night events in Busan can be beautiful, but the best view often needs patience. Arriving early, holding a spot, and waiting with a crowd can make the moment feel more exciting and give you better photos. It can also make a short show feel like a long chore. Some people want the front-row experience because the event is the main plan. Others prefer to walk nearby, catch part of it casually, and leave before the crowd moves. The difference is not only about the view. It is about how much waiting, planning, and crowd energy someone wants around a short visual moment. Travel choices show your personality fast: comfort, money, planning, photos, and rest. The same trip can feel romantic to one person and tiring to another.
