

01 SMALL TALK

Before you try a new café, do you usually check the reviews first?

Do you prefer going somewhere new, or going back to a place you already know?

What's one place near you that you'd recommend to a visitor?

02 POP QUIZ — DOES THIS SOUND NATURAL?

1 ~~"I want to go travel."~~

✓ "I want to travel."

travel은 그 자체로 동사라 앞에 go가 필요 없어요. 명사로 쓰려면 go on a trip.

2 ~~"I took a rest in hotel."~~

✓ "I rested at the hotel."

take a rest는 콩글리시예요. rest나 relax를 쓰고, at the hotel처럼 관사를 붙여요.

3 ~~"The schedule is very tight."~~

✓ "The itinerary was really packed."

여행 일정엔 schedule보다 itinerary, 빡빡함은 packed가 더 자연스러워요.

Risky Destinations — Pay for Safety or Skip?

🇰🇷 BACKGROUND

치안이 걱정되는 여행지는 호기심과 안전 사이에서 고민이 커져요. 영상이나 후기를 보면 가보고 싶은 도시라도, 실제로 내가 가야 한다고 생각하면 경호, 투어, 이동 시간, 숙소 위치까지 따져보게 되죠. 돈을 더 내고 안전 장치를 마련하면 경험의 폭이 넓어질 수 있지만, 여행 내내 긴장한 다면 즐거움보다 스트레스가 커질 수도 있어요. 모험과 무모함의 차이를 어디서 느끼는지가 핵심이에요.

📖 READ BEFORE WE TALK

A risky destination can sound exciting from a distance and stressful when it becomes a real plan. Videos may make a city look intense, rare, or unforgettable, but the traveler still has to think about safety, transport, accommodation, local guides, and what could go wrong. Paying for a guide or private security may open a door to places you would not visit alone. It can also make the trip feel less free and more tense. The decision is not only about bravery. It is about whether curiosity is strong enough to justify the cost, planning, and emotional stress of staying alert. Travel standards reveal personality quickly: comfort, money, planning, photos, rest, and how people handle small problems. The same trip can feel romantic to one person and exhausting to another.
