

## 01 SMALL TALK

How was your week at work — busy, normal, or pretty relaxing?

Do you usually like telling people what to do, or do you prefer doing your own thing?

When was the last time you got more work than usual? Were you happy or stressed?

## 02 POP QUIZ — DOES THIS SOUND NATURAL?

① ~~"I have a lot of stress."~~

✓ "I'm really stressed out. / I've been under a lot of stress lately."

영어에선 stress를 'have(가지다)'로 안 써요. 형용사 stressed out이나 under stress로 표현해요.

② ~~"My hobby is watching Netflix."~~

✓ "I'm really into Netflix these days. / I watch a lot of Netflix in my free time."

'My hobby is ~'는 교과서체라 어색해요. I'm into ~ 나 I spend my free time ~ing로 풀어 쓰세요.

③ ~~"I want to healing this weekend."~~

✓ "I just want to relax and recharge this weekend. / I need some downtime."

healing은 콩글리시예요. relax, recharge, unwind, downtime을 쓰세요.

## WORK · MAIN DISCUSSION

## Becoming a Team Lead — Raise or Responsibility?

## 🇰🇷 BACKGROUND

팀장 제안을 받는 건 좋은 기회처럼 보이지만, 연봉 인상보다 책임 스트레스가 먼저 보일 수도 있어요. 승진은 인정받았다는 뜻이지만 사람을 관리하고, 갈등을 조율하고, 결과에 책임지는 일은 전혀 다른 능력을 요구해요. 특히 리더가 되면 내 일만 잘하는 것으로는 부족해지죠. 누군가에게는 성장 기회이고, 누군가에게는 일과 삶의 균형이 무너지는 시작일 수 있어요.

## 📖 READ BEFORE WE TALK

Becoming a team lead can look like success from the outside. It may bring a raise, recognition, and a stronger career. But the role also changes the work itself. Being great at your own job does not mean you are ready to manage conflict, support your team, make hard decisions, and take responsibility for results. Some people want the challenge because leadership gives them growth and influence. Others see the same offer and think first about stress, messages after work hours, and being caught between the team and the company. The decision is not only about money. It is about whether the responsibility fits the person's strengths and life. Work choices rarely stay inside the office — they affect your energy, your sleep, your relationships, and your free time too.
